①

[illegible]

②

A horizontal number line with dashed vertical grid lines at every integer from 0 to 10. The numbers 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 are written below the line. Above the line, a curved bracket spans from the vertical line for 3 to the vertical line for 5, grouping the numbers 3, 4, and 5.

③

A horizontal number line is shown, ranging from 0 to 1000. Major tick marks are labeled every 100 units (0, 100, 200, 300, 400, 500, 600, 700, 800, 900, 1000). Minor tick marks are present every 20 units. A bracket is drawn above the number line, spanning from the 500 mark to the 585 mark. The numbers 5, 8, and 5 are written below the number line at the 500, 520, and 540 positions respectively, representing the number 585.

④

A horizontal number line is shown with tick marks and labels from 0 to 10. A bracket is drawn above the line, spanning from the tick mark for 8 to the tick mark for 12 (which is beyond the 10). The numbers 8, 8, and 4 are written below the line, centered under the tick marks for 8, 9, and 10 respectively.

⑤

					3	2
1	2	3	3	9	3	6
			3	6	9	
				2	4	6
				2	4	6
